Maia Watkins

Scholarship Committee: The committee is made up of 3 members, no more than 5 members who will, decide the recipients. The committee chair will facilitate the review and award process. A new scholarship committee will be selected at each reunion unless the body decides to keep the same committee.

Basic Steps in the Process:

- 1 Elect a scholarship committee or confirm that the sitting committee agrees to continue to serve.
- 2 Mail and/or announce via snail or e-mail the availability of Scholarship Applications with Reunion Registration Forms.
- 3 After the deadline, the chair will review applications to ensure that applicants meet the basic requirements.
- 4 The chair will contact scholarship committee members to review the applicants before reunion.

The committee reserves the right not to grant any scholarships.

Future Scholarship Possibilities: In the future, the committee may vote to grant scholarship funds to college graduates, professional school and graduate school graduates and even other High School Students. This, however, will be determined by the funds available. For now, High School graduates are the priority.
